

**JOIN ME ON A SPIRITUAL HEALING JOURNEY TO BRAZIL  
WITNESS AND EXPERIENCE MIRACULOUS HEALING!**

Join Marie Wilson, Wellness Coach, for an unforgettable Spiritual Healing Journey to Brazil. Our trip will begin in Sacramento with a flight to the capitol, Brasilia. Here we will rest from our long flight before embarking on a tour of the city to observe the unusual architecture in the Temple of Good Will, the National Cathedral, the unique Dom Bosco Church and shop at a local marketplace. Then we will travel to the village of Abadiania where we will visit the healing center known as Casa de Dom Inacio. Each individual will go before the healer, John of God (with a translator) for healing of mind, body and spirit.

*John of God is a Medium through which healing entities work. More than 34 Doctor entities use him as a vessel for surgery and healing. John of God has treated more than 15 million people from all over the world during the past 40 years.*

*My visit to the Casa was life changing. After my first visit, I vowed to return taking others to experience this amazing healer. In March 2005, I fulfilled that dream when I returned as the Tour Guide for ten people. All had remarkable healing experiences.*

The next trip in the fall of 2007 is TO BE ANNOUNCED. These journeys are limited to TEN people so each individual receives personal attention. This will be a life changing experience for each one of you. Contact me if you are interested in going and I will provide you with more detailed information.
