

HEALTHCARE AT SUBSTANTIAL SAVINGS!

If you do not have health insurance---this is for you! Even if you have insurance, you can lower your dental, vision, hearing and pharmacy expenses. Plus travel and accident insurance. You can even cover your pets.

You can lower your costs up to 50%!

With a monthly fee from \$9.95 to \$69.95 per month, 385,000 physicians, other health providers and hospitals across the country become available. They have contracted with a PPO (Preferred Provider Organization) to offer highly reduced fees. The fee reduction is the price that insurance companies pay.

***Most people pay retail prices, with Care Entree,
you pay wholesale prices!***

Testimonials:

I recently had an X-ray that would have cost me \$270.00 since I don't have health insurance. As a Care Entree member, I paid \$70.00.

My friend was bitten by an injured animal she was attempting to rescue. Her emergency room hospital visit and follow-up cost thousands. She paid \$700.

No one is turned down due to pre-existing conditions!
